

Plate tectonics review sheet answers

1. Lithosphere
2. ~~Plan~~ Continental Drift
3. Pangea
4. mountain ranges, fossils, rock layers
5. Sonar
6. subduction
7. Plate tectonics
8. ~~divergent~~ Rift valley or divergent boundary
9. mountains
10. convergent boundary
11. divergent boundary
12. oceanic crust, continental crust
13. ~~divergent boundary~~ transform
14. Earthquakes
15. convection currents

17. Convergent

18. Subduction zone - ~~the~~ dense oceanic plate is being pushed under the continental plate

19. 1 cm / year
